MEMORANDUM FOR: Collateral Projects Branch
Cold War Division
Deputy Director for Policy
Headquarters, USAF

ATTENTION: Colonel John Van Dorn, AFKPD-PY-CWC (TB)

SUBJECT: Request for C-54 Aircraft

1. This memorandum is submitted in confirmation of discussions between [redacted] of this agency concerning the requirement for an additional C-54 aircraft for our detachment at Eglin Air Force Base, Florida during the period 27 August 1962 through 13 January 1963.

2. It is requested that a cargo configured C-54C, with all systems operational, be made available to this agency for the period indicated. It is desired that the aircraft have 250 hours remaining prior to periodic inspection, be equipped with troop or airline type seats, cargo tiedown equipment, and installed static line.

4. Your assistance in obtaining the C-54C aircraft will be greatly appreciated.
